**FROM THE
COMMANDER
Cliff Stephens**

I hope that our members are doing alright. The team is suggesting new ideas such as karaoke out in the pavilion Under The Stars on July 24, 2021. The club room will be open also. Food will be Available (cost TBA) that evening and the proceeds from the food will go to the post and a 50/50 proceeds will be split between the SAL and Auxiliary.

The team would like to hear back from the members by joining in and showing support for your legion post. The team is talking about a post picnic on Sept 26, 2021. The post will provide meat products and request membership bring in a side dish or desert of your choice.

Our Baseball teams are having a really good year and hope to repeat as State Champions (both the Senior and Junior teams). Great baseball played by really good young men.

The best time for membership to make suggestions and find out what goes on in your post is to attend the monthly meetings every second Tuesday of the month. The Executive Committee meets at 6 pm, then a general meeting that includes the Auxiliary, SAL, and Legion members at 6:30 pm. The regular Legion meeting will start at 7 pm if all other meetings are started and completed on time. The next set of meetings will be July 13, 2021. I am suggesting that all parties should attend these meetings to find out what goes on. Legion, Auxiliary,

and SAL 2021 membership cards are available now so please be an "Early Bird."

I want to thank you for your support and hope you start participating in the post activities.

Cliff Stephens
Commander

PAUL SNAVELY SR S.A.L COMMANDER

The summer is getting really hot. We hope you can come in to the Post and cool off. Our monthly meetings are still in serious need of more participation. I'm not asking for a great amount of your time. Just that you at least come to the meetings and offer up some ideas or suggestions for Squadron activities. Nationwide the Sons of the American Legion organization does a lot to support the military, veterans, and the community. With a more participation our Squadron could do more to contribute to those efforts.

Also, our 2022 membership cards are now available. We hope you can be an "Early Bird" by renewing soon.

Thank you, and stay cool this summer.

Paul Snavely, Sr
Squadron 346 Commander

Our Baseball teams are doing well. Yes, “teams.” Our Senior team made up mostly of High School Juniors and Seniors and is the one people really hear about each year and is the current two-time defending State Champion. However, we do always have “Junior” team that does well every year also. This team is mostly High School Freshmen and Sophomores. In fact, the Junior team is also the current defending Junior State Champion. Rosters for both teams are listed below.

**IMPORTANT
MEMBERSHIP
INFORMATION**

A big Thank you to all our members on keeping your membership active. Having said that... it's that time of year again when next year's membership cards become available. 2022 membership cards are now available to Legionnaires, Auxiliary, and SAL.

We hope everyone can be an "Early Bird" and renew as soon as possible. It's been said many times before, but without members the American Legion can't support the many Veteran, Youth, and community programs.

Additionally, the American Legion's legislative efforts at the State and Federal level are instrumental in preserving and improving Active Duty and Veteran benefits and support for their families. So please renew and continue your support.
